

MCWA Panelists Disagree On Quebec's Style Of Democracy

by ALAN CHODOS

Do Not Disturb — Spys At Work

No, this is not a meeting of the McGill Espionage Club, it's merely part of the backstage crew of the Players Club Production, "Under Milk Wood", intent on their work. Counterclockwise, they are Graeme Bell (Stage Manager), sitting, Elizabeth Monks (Props), and, Geoff Mersereau (Lighting Sound).

"French Canadians are perhaps the only people in the world who enjoy Democracy without having had to fight for it".

This quotation from an article by Pierre Eliot Trudeau became the object of a heated debate yesterday at the fourth plenary session of MCWA, held in the Medical Assembly Building.

Participating in the panel discussion, whose topic was "Democracy in French Canada," Paul Bouchard, Professor of Economic Geography at Laval; Michael Oliver, Professor of Political Science at McGill; the Reverend Gerard Dion of Laval, and Professor Mason Wade, author of the book "The French Canadians, 1760-1945."

OLIVER

Professor Oliver was the first person to mention Trudeau's article. He cited it while giving his reasons why French Canadians have "not really believed in democracy for themselves."

"Democracy stresses individual participation in public affairs," he explained, "but for the French Canadians, collective security seemed much more important."

Oliver attacked the Roman Catholic Church as a stumbling block to democracy in Quebec. "During the crucial, formative years of French Canadian politics," he claimed, "the Church was opposed to liberalism."

He also maintained that the rigid internal organization of the Church made it an unlikely training ground for democracy.

WADE

Professor Wade, who followed Oliver, immediately took issue with Trudeau's statement. He pointed out that the French Canadians had indeed been forced to fight for democracy, in the years 1815 to 1836.

"This was a real democratic political movement," he said, "which was eventually forced into an explosion which I would tend to call a civil war. The impact of these events on democracy in French Canada has been felt ever since."

Wade went on to compare Quebec's political development with that of New England. He noted the close analogy between events on the Montreal political scene and those of Boston, and pointed out that in both societies the clergy had taken a leading role.

"However," he said, "there was a tendency to rebel against clerical direction as society expanded."

Abbe Dion agreed with Wade in his attack on Trudeau's article. "I feel that the statement of Trudeau is an oversimplification," he maintained. "One has only to consider the historical development of democracy in Canada to understand what kind of democracy was given to French Canada in the beginning."

He explained that the people were given only a pretense of democracy. "After 1791 we had an assembly," he said "but the assembly had no control of the administration."

"If we consider the attitude of the English until Confederation," he went on, "I don't believe it was an example of the true democratic spirit. We in Quebec well know the meaning of oligarchy and the 'Family Compact'."

COMPARISON

Dion next compared Quebec's political situation to that of the other nations of the free world. "To me," he said, "the fight for democracy in Quebec was the fight we find in every country."

"I do not believe that we were better or worse than any other one. In order to get democracy, we need the education of the people, a certain economic development, and also a certain security. This security, until recently, the French Canadians did not have."

Dion dismissed the Duplessis regime as "not something normal" in the evolution towards democracy. "But if we consider the whole of history," he declared, "it may be observed that we are growing more and more mature. In the last few months, one may see how the people are ready to express themselves and also take on their responsibilities."

DISAGREED

He disagreed with Oliver about the influence of the clergy. "People who don't know consider the church a monolithic block," he said.

"It is not now, and never has been so. It is noted that the clergy is of a conservative tendency, but the bishops in Quebec have taken some political stands, and the people voted against them. Why has Quebec always voted Liberal in Federal elections? The political influence of the clergy has not been great."

BOUCHARD

Professor Bouchard called Trudeau's article a misrepresentation full of historical errors. "Nothing is abnormal in this province so far as democracy is concerned," he declared.

Nevertheless, Bouchard emphasized that democracy in Quebec is unique. "Democracy is not the same in every country of the world," he said. "It is practiced according to the traditional outlook of the various nations."

Bouchard claimed that "There are two nations in Canada," and that the French Canadians must be considered a Latin American society. Therefore, he maintained, French Canadian democracy is of the Latin American type, as opposed to the North American variety.

POLITICS

Turning to the politics of Quebec, Bouchard deplored the practice of placing the party treasury in the hands of one man. "The treasury should be in the hands of a committee of trustees," he declared, "who will administer the funds not for the benefit of one man, but for the benefit of the whole party."

Post Graduate Council Is Born At Graduate Society General Meeting

A Post Graduate Council was voted into existence at a general meeting of graduate students yesterday.

Oded Frenkel, present graduate representative to the SEC, introduced the motion which is designed to stimulate interest in all departments in the activities of the Graduate Society.

PROPOSAL

It is proposed that each department elect one representative to a body to be known as the Post Graduate Council. Each delegate will have a voting power equivalent to the number of students in his department.

The new council will meet as soon as possible to produce a constitution, which presently does not exist in the Graduate School.

The council is expected to consist of some 25 members, who will set up a seven-man executive.

REASON

The reason given for this change is that the present system of government is not working to the satisfaction of all interested

members. The graduate societies are not cohesive. This is the first concrete attempt to reach all students.

ATTENDANCE

About one third of the 800 graduate students at McGill attended the meeting and voted unanimously for the formation of such a council.

The current president of the Graduates Society, Louis Wolhuter, will send letters to each department advising them to choose a representative. The method of selection is up to each department.

MEETING

The initial meeting of the various representative will take place December 8. Certain motions have already been suggested for their consideration.

Among these are that no one position on the executive can be held for more than one term by any single student, and that each department of the activities of the

possible for informing his department of the activities of the council.

Soviet Students Re-Visit McGill

Four Russian students who visited McGill earlier this month will return to Montreal for a short time this weekend.

They are not returning to Montreal in order to visit McGill again, although they will attend a reception Saturday night at the home of one of the students. The plane which will take them to Moscow, via Paris, leaves from the Montreal airport on Sunday.

FIRST TIME

The students were at the university from November 4 until November 9 and then acquainted themselves with Canadian college life.

Their activities at the time included a tour of the campus, a reception at city hall, and a panel discussion open to all students. The

visitors also attended a professional hockey game, and travelled to St. Sauveur for an informal session with campus leaders.

GROUP

The leader of the group is Alexi Golubev, 31, a graduate of the Moscow Pedagogical Institute and a member of the USSR Students' Council. His companions are Boris Ponomarev, 33, the vice-secretary of the Youth Organization Committee, Emmaouil Equizarov, 30, a post graduate at the Moscow Foreign Language Institute and acting interpreter, and Alla Tsutarov, 25, of the Kharkov Medical Institute, and the only woman in the delegation.

Architecture — Elect One

Morris Charney

We here at the School are trained to understand the significance of a designed campus. My objectives are:

1. To familiarize the student body of the necessity of a Master Plan for McGill and the appointment of suitable architects for building projects.
2. To become active in the New Union Committee and to emphasize the need of a well - designed building.

I feel capable of carrying out these objectives because of my previous concern with these problems. The qualifications to consider are the ability and desire to stress these issues.

As evidence, I offer the initiative I have shown in former positions.

PEN SKETCH

Morris has been active on campus since he came to McGill in 1955. At present he is:—

Co-Editor — R.A.I.C. Journal Publication.

Chairman — A.U.S. Reporting Committee.

Editorial Board Member — Forge Magazine.

He partakes in inter-faculty sports and debating.

During open house '59, he became actively involved with design of campus buildings, and was in charge of the New Union Exhibition.

Morris has also excelled scholastically: — former University Scholar, he led his class in 3rd and was winner of the Atlas Design Prize in 4th.

These qualifications together with his sincere attitude justify our nomination.

COMMITTEE FOR THE CANDIDATE

Rudy V. Javosky

For me to make promises of great achievements would be a falsehood, for only the Great Divine knows the future, but on the other hand I can promise you that if elected I would fill my position with all the spirit, stamina and intelligence which I possess.

I feel strongly that within our school there has been forged for me a definite platform which I have briefly outlined below.

1. The continuing fight for a new students union whose architectural beauty we can all be proud of.
2. The co-operation in any way possible for the establishment of a master plan for the expansion of McGill University's campus.
3. The formation of a special cultural improvement fund for the School of Architecture enabling us to enlarge on our present scope of speakers and art exhibitions.
4. Fighting for or against anything which directly or indirectly affects the students whom I represent.

PEN SKETCH

Rudy is a 5th year student and is presently the president of the A.S.U. Previous to this he had served two years as treasurer. He has worked for the Plumbers Ball Advertising Committee and Combined Charities as well as taking an active part in intra-faculty football, hockey and basketball.

COMMITTEE FOR THE CANDIDATE

Scope Plans Art Exhibit

A Students' Art Exhibit will be held at McGill from January 16 to 30, the chairman of scope announced today.

Music, Divinity, and Education

Eric Snider

If elected I will try to bring about a redistribution of seats on the SEC.

It is ridiculous that three faculties with as little connection as Education, Music, and Divinity should have only one representative. Either Divinity or Education should constitute a separate constituency.

Born in Ontario, Eric graduated from the University of Toronto in 1959. At present he is in second year at McGill in the Faculty of Divinity and attends the United Theological College. Eric, 1960-61 President of the McGill Student Christian Movement, is active in debating, is an ardent supporter of all forms of radicalism including the Mission in McGill, January 22-29 1961, and is an occasional reader of the McGill Daily.

COMMITTEE FOR THE CANDIDATE

Eleanor Spence

As the representative from Divinity, Music and Education on the SEC.

I would endeavour to act in accordance with the best interests of these groups, and of the entire student body. A problem relevant to all students is the lack of amiability between students and staff, and, if elected, I shall endeavour to establish closer bonds between the two. I shall attempt to bring to the attention of the student body as a whole, the potential available within the smaller schools and faculties on campus, and at the same time, further acquaint these groups with the numerous activities in which they are welcome to participate.

COMMITTEE FOR THE CANDIDATE

"McGill students already have a chance to display their talents in the literary and dramatic arts", said Chairman Colin Dobell, "but there is presently little or no opportunity for them to do so in the fine arts. The exhibit is designed to meet this need, thereby providing a welcome addition to the cultural life of the university".

Scope announced that Alan Jarvis, former director of the National Gallery and art critic for the Montreal Star, will give a public lecture on January 17.

ENTRIES

Entries will be divided into three categories: drawing; painting — this includes oils and watercolours; and sculpture. A first prize of \$25 and a \$10 second prize will be awarded in each category. Students from all faculties are eligible to enter. Contributions from members of the faculty and staff will be welcome, but are ineligible for prizes.

Entry forms, which may be obtained at the Union Box Office, must be returned by Monday, December 12. Entries will be received from January 9 - 13 at the main desk in the library. Further information may be obtained from Billy Fraiberg, HU, 8-1209, or Peter Mellen, VI, 9-1776.

Engineering — Elect Two

Fred Drury

During the past two years I have developed the opinion that a great deal of the responsibility for student apathy on this campus must lie in the Student's Executive Council. I mean by apathy, not only apathy with respect to the athletic program, but a general student dis-interest in all that which differentiates a school from a University. To generate more student interest, I propose the following reforms:

- (1) More contact between SEC representatives and their constituents in order that students be better informed of what their council is doing in their behalf.
- (2) A tighter control over SEC spending.
- (3) A well distributed publication of the minutes of the SEC meetings for the benefit of the student body.

We feel that Fred Drury is best qualified for Engineering SEC Representative. Our candidate has been active on campus during his three years at McGill, and his fine qualities of leadership and organizational abilities have been prominently displayed. Some of his positions include — Co-ordinator of the recent Red Feather Campaign; and member of the Plumbers Ball Committee for 1961.

Fred will take to the SEC a reputation for diligent, well directed service in all his endeavors.

COMMITTEE FOR THE CANDIDATE

Ian Leslie

At McGill, I feel I have gained a great deal from campus activities. With the amount of activity at McGill, every student should have the opportunity to participate in these activities and I wish to encourage wider participation so that the average student may get more out of his university life.

The first duty of any SEC representative is to represent his faculty. I promise to give Engineering the best representation possible, to press for a solution of the problems which concern the engineer, such as a new Union, and to keep the faculty informed as to the actions of the SEC.

Ian Leslie has been active in E.U.S. and other activities. Last year, he was chairman of the Plumbers Ball. He has been co-chairman of the Engineers' Blood Drive, and has been active on the social committee of the McGill Union.

COMMITTEE FOR THE CANDIDATE

M. F. Iosipovici

As your S.E.C. candidate I pledge myself to strive for the following objectives.

I will continue my efforts to increase participation of the students in the lower years, in the various activities of the S.E.C. and the E.U.S., by encouraging their representation on the organizing committees.

I propose to investigate the operation of the McGill Book store, to ensure that Engineering books and supplies are distributed at the lowest possible prices.

I will encourage the establishment of closer relations with Engineering faculties of other universities to promote mutual interests.

I will protect the best interests of the Faculty of Engineering in any issue that may come before the S.E.C., sparing no time or effort to provide proper representation.

New Sales Record Set By "Old McGill" Drive

"Old McGill '61" has set a new sales record of 1434 sales which should be augmented as late reports come in.

This has been done in one, instead of the usual two sales campaigns which were held each year in the past. Thus there be no second sales drive this year.

By special arrangement, annuals will be sold for the next few weeks by John in the Tuckshop, so all those still wanting to order their copy are advised to do so at this time.

WINNERS

Winners of the many contests associated with the campaign were also announced yesterday. Excelling in the capacity of salesgirl was Ora Bonim, who sold the total of 179 copies of the Annual. Miss Bonim will receive first prize in the salesgirls' division, a

gift certificate from Morgans for \$25.

Tied for second with 105 sales each were Vicki Kornbluth and Maureen Somersall, who will receive gift certificates for \$15 each. Anita Plow, with 47 sales was fourth best salesgirl and will receive a \$5 gift certificate. Total sales by the 30 membered sales staff were 997.

In the special fraternity section where 437 annuals were sold, the K.R.T. Fraternity placed first in the men's section with a 70% sales average within their house. Each member of the house will receive a mounted chapter photograph. 100% sales by the A.G.'s and K.K.G.'s resulted in each of them receiving two free pages in the new fraternity section of this year's Old McGill.

NOVEMBER 25, 1960

by AL TUNIS

Editor's Note: The author of this column, a weekly feature during our golden anniversary year, served as editor-in-chief of The Daily in 1947-48. He now edits The McGill News, published quarterly by the Graduates' Society.

Several weeks ago, this column was devoted to a discussion of the value and importance of keeping McGill's graduates informed, through the spoken and the written word, about what was happening at the University. At that time, we dwelt upon the role of the faculty and senior officers of the administration in their travels out to branches of the Graduates' Society, in order to tell the story of McGill on a personal, intimate basis. We also indicated, at that time, that the most important carrier of the printed word was *The McGill News*, the Society's quarterly publication, which is sent out to some 15,000 graduates.

This is a most suitable time to talk about *The McGill News*, as we are in the midst of preparing the December issue for the printer. (Our assistant, conscientious soul that she is, begrudges the time spent writing about it, when she says, we should be writing for it).

The McGill News first saw the light of day in December, 1919. This was the year that Sir William Peterson retired as Principal of McGill, after 24 years of service. This was also the year that His Royal Highness Prince Edward of Wales received the honorary LL.D. degree at Fall Convocation and the Percival Molson Stadium was officially opened and dedicated.

The editorial committee of Vol. 1, No. 1, contained some well-known names. Stephen Leacock was chairman and Eric A. Leslie, Sc. '16, was editor. D. Stuart Forbes, Sc. '11, Arch. '14 and A.K. Hugessen, Arts '12, Law '14, later a Canadian Senator and today senior member of the Board of Governors, were among those who served as committee men. The avowed objective of this infant magazine, as expressed in its lead editorial, remains the same today as it was then, and we should like to quote a portion of it here:

"The News will not be a magazine in the ordinary sense of the term. Its mission is other and its aim is higher than that. It will be primarily a record for circulation among the graduates of the college of what is being done at McGill and of what is happening in the world outside that concerns the welfare of the University. It is hoped that on such terms and with this expectation, this wonderful publication will find a warm welcome and a ready appreciation in the hearts of those to whom it directs its appeal".

Then, as now *The McGill News* was published by the Graduates' Society, and through the years, its importance as the main link between the University and McGill graduates scattered throughout the world has increased. Each issue of the magazine has special sections devoted to clearly defined aspects of the University's life and development: *the Principal's Page*, a special regular article written by Dr. F. Cyril James; *The Campus*, containing short items of academic and extra-curricular activities of the students; *What the Martlet Hears*, a department devoted to news about and of interest to graduates; *The Faculty*, listing appointments, awards, and promotions of faculty members.

Vital statistics, as we call them, are the "grass roots", and *The News* devotes generous space to the graduates in their careers through life, by virtue of the standing features *Where They Are and What They're Doing*, *Marriages*, *Births and Deaths*. All this information provides the backbone of the magazine, and is supplemented in each issue by special articles and photographs illustrating particular important developments in faculties, schools or institutes of the University.

Letter to the Editors

Lerner's Book in RVC, Not Redpath Library

Sir,

Wednesday night Professor Max Lerner addressed MCWA. His speech induced me to look up his works in the Library, for further consultation.

His major work "America as a Civilization" is not in Redpath but can be found at RVC and Macdonald College. Does this mean that only girls and aggies are to benefit from this book? Since I do not happen to belong to either of the above mentioned species I am left with two alternatives: join the faculty of Agriculture or...

The absence of this book from our general library is not only an insult to a distinguished guest but also an insult to the student body. Perhaps the bureaucracy of Redpath, the professors responsible for presenting purchasing lists and even the members of MCWA, will in the future make sure that such errors are not repeated.

Since coming to McGill last year, Anita has taken in these activities: Swim Team 1959-60; Watershow 1959-60, 1960-61; Blood Drive 1960; Old McGill 1960; Folk Singing Society; and M.O.C.

COMMITTEE FOR THE CANDIDATE

Carole Turkenik

Carole Turkenik is a Montrealee now living in Kingston, Jamaica. She is in second year Science honours in Genetics and Zoology.

This year she is corresponding secretary of the Arts and Science Undergraduate Society and Arts Science representative on the Outer Executive of the Women's Union. Also she sings in the Choral Society, swims in the Water Show, and was co-chairman of the Arts and Science Blood Drive Committee.

Because of her experience and wide range of activities, we feel she would be an asset to the Women's Union in the position of resident member-at-large.

COMMITTEE FOR THE CANDIDATE

Women's Union — Vice-President

Elizabeth Duquet

Liz derives her practical knowledge of Women's Union affairs, essential for this position, from experience as a current member of the Executive Council (Daily representative), Chairman of the Big Sisters' Tea, editor of the Clubbook, Handbook and Bulletin, International Students' Association representative.

A Daily desk editor and "byliner" from 1958-60, Liz is now Women's Editor. She is secretary of the Debating Union's high school tournament programme, has been on Got It Made's production staff, SCOPE committee, Combined Charities. She holds Women's Union "B" and Daily Silver awards.

Examine the candidates' records — we are certain Liz Duquet will be your choice.

COMMITTEE FOR THE CANDIDATE

Lyn Mackenzie

Lyn Mackenzie is most qualified for the position of Vice President of the Women's Union with her executive ability and varied experience in the Women's Union. She has been:

1) Chairman of Resident Reception. 2) Chairman of the China Display. 3) Participant in the Fashion Show.

Other responsible positions include: 1) President of the Recreational Activities Council. 2) member of the RVC House Council.

Among other activities, she has worked for Annual Sales, Combined Charities, Convocation Baccalaureate Service and has maintained a second class average.

For these reasons, Lyn Mackenzie should be elected to this executive position.

COMMITTEE FOR THE CANDIDATE

Non-Resident Member At Large

Claudia Bierman

We would like to recommend Claudia Bierman for the position of Non-Resident Member-At-Large. Claudia has many qualifications and varied experiences so that she may serve the position well. She graduated from Mount Royal High School where she was president of the Girls Athletics Association.

Since coming to McGill she has worked on the Telephone Committee, represented McGill on the intercollegiate Ski Team, played intramural basketball and tennis and is now manager of the W.A.A. Ski House.

Claudia has experience, initiative and enthusiasm and her election means capable representation.

COMMITTEE FOR THE CANDIDATE

Marnie Duff

Marnie, a non-resident second year arts student, has the qualities which enable her best to represent her fellow students on the Women's Union. She was an active member of the Freshmen Reception Committee on both the Big Sister Programme and the Gault Estate Outing.

Also on the executive of the Women's Union Underprivileged Children's Day, Blood Drive publicity, SEC and MCWA banquet committees, she has proved herself to be competent and co-operative worker.

Her interest and enthusiasm in all Women's Union activities make Marnie the most capable candidate for Women's Union non-resident member-at-large.

COMMITTEE FOR THE CANDIDATE

Janet Westaway

Janet Westaway is an Arts student in second year. She entered McGill in first year after spending four years at school in Paris, France.

In her first year she exhibited her enthusiasm for extra-curricular activities by working on Treasure Van, the Annual, and being a member of the Player's Club. She represented McGill on a student television programme last year. This year she has worked on decorations for various functions and is working on Winter Carnival. Janet is a talented artist and works at the Montreal Museum of Fine Arts.

We, her nominators, believe that Janet Westaway shows spirit.

COMMITTEE FOR THE CANDIDATE

Judy Russell

We, the supporters of Judy Russell, strongly believe her to be qualified for the position of Vice President of the Women's Union.

Judy is a third year Honours Student in Arts and has actively participated in the following activities: 1) Second Year Dinner Publicity 2) Winter Carnival Skating Revue 3) Choral Society and Decorations. 4) Blood Drive Information 5) Women's Union Telephone Committee 6) Freshette and Freshie Soph Receptions 7) Convocation Decorations Committee 8) M.O.C. General Council.

Due to the above mentioned we feel JUDY RUSSELL to be well qualified for this position.

COMMITTEE FOR THE CANDIDATE

Women's Sports

Sheila Feig

We, the undersigned, feel that Sheila Feig is not only enthusiastic but also well-qualified for the position of member-at-large of the Women's Union.

A second year science student with good second class standing, Sheila has taken an active part in campus activities. She worked on the Blood Drive in '59 and '60 and for the Open House last year. She was a Big Sister at Freshette Reception. Currently, she worked on the planning committee for MCWA and is on the Winter Carnival Debating executive.

With her keenness and capability, Sheila, if elected, will competently fulfill her duties.

COMMITTEE FOR THE CANDIDATE

Wendy Laws

We feel that Wendy, a second year Nursing student is extremely interested in student affairs, and is a keen worker. This year she was one of three delegates to the Sir George Williams University Conference on World Affairs.

Wendy is Program Chairman of the Undergraduate Nurses Association '60-61 and was on the executive last year also. Among her other activities are Choral Society, Pre-Medical Society and Psychology Club.

Add experience from these activities to that gained as a participant in the N.P.C.U.C. Tour of the Soviet Union and you will have the qualities necessary for fulfilling this position.

FELLOWSHIP HOURS WILL FOLLOW

Jennifer Robinson

Jennifer Robinson is Vice-President of the Nursing Undergraduate Society, and a University Scholar. In October she was a McGill delegate to the Sir George Williams University Seminar on International Affairs.

During her time at McGill she has been active in Choral Society, Psychology Club, and Premed Club, and this year participated in intramural debating and basketball, in Freshette Reception, CUOND, and Radio Club.

Jennifer is active on campus and is well qualified for the position of Non-Resident Member-at-Large of the Women's Union.

COMMITTEE FOR THE CANDIDATE

Roz Saginur

In giving our support to Rosalind Saginur, we feel that she has the personal qualities and past experience for this position.

In second year Science, Roz has already done considerable work for the Women's Union, including the Executive Council where she is presently in charge of lounges and posters and is winner of the Women's Union "C" Award.

Other activities include Women's Athletic Council; Chairman, W.A.A. Awards Banquet; President, Bowling League; ASUB novice debating champion; Big Sister; and University Scholar (59-60). Roz is presently a Daily Features writer and was chairman of the very successful Sports Day held recently.

COMMITTEE FOR THE CANDIDATE

Mary Scott

We, the committee for Frances Rorke, feel that she has the personal qualities and past experience for this position.

Miss Rorke has had extensive executive and athletic experience in Outremont High School:

Girls' Head, Honorary society; Eaton's Junior Council member; Class Leader (4 years); member of 15 interscholastic teams, awarded the highest athletic honour for leadership, integrity, athletic merit (4 years).

In two months at the University, Miss Rorke, a university scholar participated in these athletics: intercollegiate tennis team; Finalist in Freshette and Upperclass tennis tournament, intramural and intercity badminton; intramural volleyball and figure skating.

COMMITTEE FOR THE CANDIDATE

ARTS AND SCIENCE - ELECT TWO

Eddie Aronoff

1. To fulfill its purpose, the S.E.C. must be brought into closer contact with the Student Body. I shall therefore encourage:

- Greater supervision of Undergraduate Societies. With S.E.C. co-operation and direction, the A.S.U.S. could be encouraged to expand its program, and so reach more students in the faculty.
- Open meetings.
- Continued support for the committee on improving student-staff relations.

2. Greater encouragement to the International Students' Association to bring Foreign and Canadian students into closer harmony.

3. Continued support for the New Union.

PEN SKETCH

As this year's editor-in-chief of the McGill Handbook, Eddie has come in contact with every club, society, and organization on campus and has gained valuable insight and experience into their workings, needs and problems.

For the last three years, he has worked actively on the McGill Daily, and this year has become the founding editor of the new Campus Department. In his pages, he has covered major campus activities, revealing faults and offering constructive suggestions.

As well, he has participated on the Blood Drive, Model Parliament, and AIESE Committees.

We feel that with this background, experience, and initiative there can be no better person to serve as Arts and Science Representative to the S.E.C. than Eddie Aronoff.

COMMITTEE FOR THE CANDIDATE

Naomi Kershman

Regardless of what you're told, it is impossible to solve every problem. There is a need for greater identification of the representative with the students — you have a right to know what is happening and I will attempt to make you aware of the pertinent S.E.C. proceedings through publication in the ASUS News. More co-operation between the S.E.C. office and your undergraduate society will result in better programming for you and as Vice-President of the ASUS I can guarantee such co-operation.

In all facets of SEC operation, I will fight with vigor and sincerity for the rights and interests of the faculty; I will make myself heard and stand firm on what I think to your best advantage.

It is also time that Science, as well as Arts, had a say in faculty policy!

PEN SKETCH

Naomi, forceful and dynamic, will back her convictions with action. Her McGill activities include Recreational Athletics Council member, Red and White Review, and Carnival Review in 1960. Promotions Chairman for Winter Carnival Debating '61, and most important First Vice-President of ASUS. This contact with the problems, needs, and functioning of our faculty give her the experience to serve you best.

COMMITTEE FOR THE CANDIDATE

Stan Messer

If elected, I will devote much of my time to truly represent the students of my faculty and specifically to support the following:

- (1) A new Union in our day, i.e., in time for our use.
- (2) An investigation into ways and means of bringing the student and the faculty into closer contact, especially for students in the general courses in Arts and Science.
- (3) Promotion of the interests of clubs of our faculty and fraternities.

PEN SKETCH

We, the committee for Stan Messer, can truly say that Stan's record speaks for itself. Stan graduated from Northmount High School, where he led the school and placed sixth in the Province in Matriculation exams, entering McGill on a University Scholarship. He is now a Science Honours Psychology student.

He was president of first year and second year Arts and Science; an intercollegiate debater; winner of Bovey Shield, ASUS Debating Trophy, Montreal Debating League Trophy; and finalist in the Talbot-Papineau competition; member of Scarlet Key; Hillel governing board '59, '60, '61; Union Committees; combined charities. Stan is currently chairman of the WUS Treasure Van.

Stan is undoubtedly your man for SEC.

COMMITTEE FOR THE CANDIDATE

Bernard Schneider

Bernard Schneider is a third year student honouring in History and Political Science. If elected, we do not want you to forget Bernard. We want you to represent yourselves through him. We want you to understand the importance of the S.E.C. It controls a large sum of money and sends delegates to many conferences. It is important that we see what it does. Therefore we promise to raise a motion to the effect that its meetings be open to any student spectator. Just as parliament is open to scrutiny, so should our parliament — S.E.C. Furthermore, Bernard promises to raise this issue or resign.

In accordance with this policy, we propose to endeavour to have the library open longer. This we believe is most important.

We also plan to enquire into the one armed bandit situated in the Arts Building basement. Many's time, we have deposited ten cents and received five cents worth of coke in an oversized cup. Either correct this fallacy or install fair dealing bottled drink machines.

In view of these policies and ideas on the many other inadequacies around, we hope that you will vote for Bernard Schneider.

COMMITTEE FOR THE CANDIDATE

Ray Smith

If elected, I will do my best to see that the Students' Executive Council: Passes a resolution, and if necessary holds protest meetings, urging Provincial Government to carry out its election promises of free education. The Students' Society is the only organization representing McGill students as a whole, and it is high time that it act in our interest by doing all in its power to bring about a programme of immediate and continuing reductions in fees, leading to free education in a definite length of time.

Passes a resolution calling for financial aid to Arts students. This aid is being denied to them alone, by the Provincial Government.

Increases democracy on the campus by (a) opening all SEC meetings to the students, (b) allowing fairer representation for Arts and Science, the largest faculty on the campus.

Restores observance of Students' Day — to bring to public attention the fact that education is a right, not a privilege.

PEN SKETCH

Ray Smith, a third-year Honours Mathematical Physics student, is vice-president and one of the organizers of the Combined University Campaign for Nuclear Disarmament at McGill. He is a member of Skean-Dhu and the Folk Music Society.

COMMITTEE FOR THE CANDIDATE

Graduate Studies - Elect One

Oded J. Frenkel

If elected, I shall continue towards achieving the following:

This year rent a house to serve as a co-operative lodging for out of town and foreign post-graduate students to provide room and board at lower prices. The house may serve as a meeting place for all post-graduates.

Incorporate into the plans for the New Union (now being revised) a lounge for post-graduates.

Form an annual reception and information committee to welcome new and foreign students at the Graduate Faculty Office during registration week, and sponsor an orientation party immediately following registration.

Present a series of three lectures by an eminent guest speaker on a topic of general interest to post-graduate students.

Organize an annual Ball in which the post-graduate students play host to the Faculty and wives. I believe this program will put to best use the \$1600 available to us this year.

PEN SKETCH

Oded J. Frenkel (B.Sc. McGill, '59) served as SEC representative for post-graduate students since the beginning of the academic year. Presently he is a member of the Adams Club, Captain of the McGill Judo Team, and has been active on Flying Carpet, Forge, Film Society, Mathematics Club, and Students' Physics Society.

COMMITTEE FOR THE CANDIDATE

W. J. Thurlow

William Thurlow graduated from Carleton in 1959 with B.Sc. in biology and presently doing graduate work in the Dept. of Genetics under Dr. Fraser.

He has been past-president of biology club at Carleton and active member of executive, University Co-op Residence, McGill. Platform: In past years the Post Graduate Society of McGill has led a life so tranquil and unruffled that those for whom it purported to represent — the graduate students — if not totally innocent of its existence, were at least innocent of any knowledge of its function and purpose.

Then, last year, a hitherto dormant flame suddenly ignited student interest and provoked a controversy which brought the Society into brilliant focus. It seems to me that this newly-discovered interest should not be allowed to subside and that a no more propitious time than the present will be found in which to revitalize the Society such that it becomes, not only a representative but a clearly audible voice in the life of our university.

Having, as I do, a knowledgeable acquaintance with most of the graduate faculties, I feel that, as graduate representative to S.E.C., I might make some contribution.

COMMITTEE FOR THE CANDIDATE

Women's Union - First Year Rep.

M. V. Adderley

A graduate of Berkely Institute, Pembroke, Bermuda, Marilyn entered McGill in 1960 having received her Cambridge School Certificate at first class level, and her Cambridge Higher School Certificate.

In school Marilyn was active in athletics — netball, volleyball, hockey, softball, and modern dance. In 1958 she was co-captain of the Track and Field Meet.

She held the responsible position of Prefect, and later, Senior Prefect at Berkely. After graduation she was Junior Assistant Teacher in the Physical Education Department.

It is apparent that Marilyn is capable of holding the position of First Year Representative to the W.U.

COMMITTEE FOR THE CANDIDATE

Judy Van Vliet

Judy Van Vliet, a nominee for member at large representing first year on the executive of the Women's Union, has had a great deal of experience in student government.

In High School she served on countless committees — social, cultural, literary, — was Student Council representative three times, and also ran for the position of Student Council President. She has, however, maintained a good average in her school work, and this year was awarded a University Entrance Scholarship.

Judy has demonstrated her ability in the past, and would very much like to represent you in the future. Please give her your support.

Hockey Redmen Win 3-2

by LENNY FLANZ
Sports editor.

The hockey Redmen came up with another victory last night, their second in three starts, as they edged the Loyola Warriors 3-2 at the Winter Stadium. It was a hard-hitting exciting contest in which McGill jumped off to an early lead and were never behind. As expected, the Warriors provided stiff competition all the way. Jimmy Grant paced the Red and White attack with two goals and Bruce Hutchison got the other.

REDMEN SCORE

McGill opened the scoring at 10:42 of the first period on Grant's first goal. Jim O'Reilly passed the puck out from the corner and Grant fired it home from point blank range.

The Redmen had scored a goal previous to this one but it was called back due to the referees ruling that the goal had been scored after the whistle had blown. This situation arose immediately after a penalty to Loyola. As the Redmen had maintained possession of the puck before and after the penalty, many fans felt that the goal should have been allowed since the referee's whistle on the penalty should have been delayed until the Redmen had lost the puck.

Shortly after Grant's counter, the Warriors roared right back in the game off a score by Unger at 12:31. The tally came just after a fine save by Alex Herron but the disc dribbled loose and Unger banged it in.

A penalty to Grazys at the 15 minute mark saw McGill get its second goal called back. But, keeping the pressure on, the Redmen chalked up their next rally on a goal-mouth scramble with Hutchison blasting the puck home.

The second frame saw a continuation of the fierce, bone-

racking checking which highlighted the opening canto. Unfortunately, most of the body checks were handed out by the Warriors. A penalty to Loyola bore no fruit for McGill as the Redmen put on the pressure and did everything but put the puck in the net. With 7 minutes expired in the period, a beautiful passing play by Henrico and Manion resulted in Loyola's second goal. In a two and one play, Manion took the rink-wide pass from Henrico and, finding himself all alone in front of Herron, managed to push the puck past the Redmen goalie.

GRANT STARS

McGill's third goal came off the stick of Grant. O'Reilly passed the rubber out in front and Grant slid it home from about 20 feet out. Loyola's goalie was screened on the play and never saw the puck.

Towards the end of the period, Hutchison was stopped cold right in front of the goal and Herron pulled off another brilliant save on a Loyola breakaway.

There was no scoring in the third period but this was not because of lack of opportunities. Two penalties to each team were called in the last frame but neither club was able to capitalize on the man advantage.

With 45 seconds left in the game and the Redmen still holding tenaciously to their one goal lead, Loyola took out their goalie. The move almost backfires as McGill hit the goalpost for the third time in the game.

The action was fast and furious throughout the entire match, with both clubs pressing hard

and giving their utmost at all times.

The Redmen were slow in clearing the puck out of their own end and from in front of the goal. The defensive unit will have to tighten up for future games and give their goalie more protection. Leo Konyk did not dress for tonight's game as he has been plagued by an injured thumb. The return of Konyk should add the necessary strength that the Redmen presently lack.

INDIANS WIN

The McGill Indians defeated Sir George Williams University in a hockey match played on Wednesday.

The first period saw the Indians trailing by a 2-0 score. In the second period they pulled ahead with a 3-2 count but the

Georgians tied it up by the end of the period. At the beginning of the third period Sir George drew blood first to make the tally 4-3. But by the siren McGill had counted twice to win 5-4.

The point scorers for McGill were Gilfillan, Lambert, Ingram, Thibault, and Maughan.

The Indians now have a one win two loss record having beaten SGWU once and been defeated by them once also.

SCORING

First Period

Grant (O'Reilly, Jones) 10.42

Aquamaids Vie For Title

by BERTHA KALIFON
Women's Sports Editor

A team of thirteen coeds, one of the strongest contingents McGill has ever entered in the Intercollegiate competition, will meet three universities at the Currie pool tonight and tomorrow to contend for Intercollegiate Swimming supremacy.

The University of Western, Queen's U. and the U of Toronto are the guests of McGill.

Dorothy Roll, who gained second place in the diving competition last year (Pauline McCullagh won the event) will once again do the diving chores. Complementing on the Diving team is Faye Wakeling.

Friday night at 7.30 the divers will position themselves on the one metre board in the first event of the meet. When each aquamaid has performed her three compulsory and two voluntary dives, and the waves subside, the synchronized swimming teams will display their talents. In the solo event, Edith Dorsey will synchronize her strokes to the Overture from "Kismet". Jo Denny, Jill Chaloner, and Marg Harris have been assigned to the trio performance.

In addition, each fancy swimmer will have to perform six basic figures: Marlin, Swordship, Spiral, Somersault, Flamingo, and Fish-tail Porpoise, and two skills, Back Crawl and Foot-first Sculling. The degree of difficulty will determine the final scores.

On Saturday morning at 11, the waters of the pool will be turbulent as the speed races are held. Eight faces will be swum before the coeds can sit down to a hearty banquet sponsored by the WAA. Chris Gyallay, Shirley Szebik, Gabi Wredde, Lowell Pelton, Nancy Reid, Heather Brookes-Hill and Sue Armacost will be at the starting blocks for McGill. The coaches have not yet revealed which racer will compete in which event.

Miss Bean, the coordinator of all three segments of the aqua squad, has coached the synchronized swimming team to victory in the Ashworth Trophy Competition. Miss Dubrule has been training the speed swimmers every day in the Memorial Pool while Miss Matthews, a newcomer to the coaching staff is training the divers.

P. & O. T., Grad. Nurses, and Social Work

Lynn Berrill

If I am elected I will do my best to serve the interests of the faculties of Social Work, Graduate Nurses and Physio and Occupational Therapy. I believe that it is possible for more individuals to understand the workings of the SEC and I will endeavor to keep my faculties informed so that they too can feel a part of the governing of our University.

PEN SKETCH
We feel that because of Lynns active participation in so many activities on campus, she is better able to understand the problems facing SEC and to help the SEC function in a most efficient way.

She has served McGill in the following activities: Class president, Blood Drive, Freshette Reception, Red and White Revue, Combined Charities, Women's Union Scholarship fund Drives, Fashion Show, McGill Conference of World Affairs, World University Service, Model Parliament, Open House, Choral Society, Winter Carnival and Graduation Ball.

If Lynn is elected we are sure she will be a worthy representative of her faculties.

COMMITTEE FOR THE CANDIDATE

Gail Parkins

Students of Nursing, Physical and Occupational Therapy and Social Work must spend a great amount of time away from McGill campus to complete the practical aspects of their training. They need an active and interested liaison between themselves and the rest of the university.

If elected, I would try to fulfill this need by keeping in very close contact with the executive and the rest of the university. In this manner, I would be aware of all problems and would be truly representing their views on subjects dealt with by the S.E.C.

PEN SKETCH
A fourth year Bachelor of Science in Nursing student, Gail is an enthusiastic participant in many campus and nursing affairs. She is on the executive of the Choral Society and a member of the Martlets. She has also been active on several Women's Union committees and in Freshette Reception '60. She is on the executive of the Nursing Undergraduate Society and is McGill's representative to the Student Nurse's Association of Quebec. She is also on the executive of the S.N.A.

Because of her executive ability and experience, her interest and her enthusiasm, Gail has our wholehearted support.

COMMITTEE FOR THE CANDIDATE

WAA Representative

Lynne Allen

The committee for Lynne Allen feels that she qualifies for the position of first year representative because of her numerous contributions to athletics, in high school, as both organizer and participant.

Her record reads: President of the Girls' Athletic Association at Montreal West High School. President of the Mixed Badminton Club winner of the Morsereau Shield for leadership in athletics, and the Montreal West Women's Club Leadership Award (3 years). Badminton coach (3 years). Captain of Badminton team (3 years). Played six athletics.

At McGill she was recently voted in as Badminton manager and participates in Intercollegiate and Intramural Badminton.

COMMITTEE FOR THE CANDIDATE

Evie Monk

In High School Evie Monk showed her proficiency in sports as a member of the Volleyball, Tennis, Badminton, Skiing, Track, Basketball responsible positions as a representative on the Girls Athletic Association and Student Council and was Chairman of the G.A.A. dance. Although busy with these activities she maintained a 79% average in her studies.

This year at McGill, Evie worked on the Blood Drive, Underprivileged Children's Day and is participating in the Water Show. We feel confident that she is more than qualified for this position and would fulfill it to the utmost.

COMMITTEE FOR THE CANDIDATE

Frances Rorke

We, the supporters of Mary Scott, firmly believe her to be qualified for the position of Non-Resident member-At-Large of the Women's Union.

Mary is a third year Arts student and has actively participated in the following: 1) Decorations and Electrical Pool Committee of the Students' Union; 2) Publicity and Promotions Committee of the Students' Union, for which she won the Outstanding Member Award; 3) Intra-mural Volleyball; 4) Hostessing for Winter Carnival; 5) Blood Drive; 6) Combined Charities; 7) Student Christian Movement.

Due to the above mentioned we feel Mary to be best qualified for this position.
